Subject: VS: VS: Bjørn Bjercke - the decision, office translation

Dear Ruja,

Your two bullet points:

- Bjørn Bjercke was sued for slander against your companies in a Norwegian jurisdiction, which
 found the case too complicated to bring the cased forward to a judgement as anticipated, and
 hence closed it. This was according to plans and foreseen at the outset. The purpose was to take
 action against slanderers and to be seen to take action as a warning. The law-suit against
 Bjecke was broadly communicated in relevant media.
- There are indications that Bjørn Bjercke has heeded the warning of the law-suit, he's been silent lately, as has his accomplice, Jennifer McAdam. Mr. Bjercke's allegations have not been repeated by media since (to our knowledge). The purpose of the law-suit seems to have been achieved, as things stand today.

Per
